

Block the Holes (Water pipes)!

Items needed:

- Large plastic pipes, sealed on one end and holes drilled into the sides. (x1 pipe per team)
- X1 Ping Pong Ball per team.
- Buckets
- Filling point (tap, hosepipe, etc.)

Game instructions:

1. Place a ping pong ball inside each pipe.
2. The children use buckets to fill the pipe and work as a team to try and plug up all the holes with their fingers.
3. The winning team is the first team whose ping pong ball overflows from the top.
