

Breaking the ice!

Items needed:

- Laminated posters or memory verses that have been cut and frozen into a block of ice (using a silicone mold is the best)
- 1 tray per team
- 1 towel per team

Game instructions:

1. Each team is given a block of ice that they need to defrost, using their hands.
2. The block is not allowed to leave their tray, to prevent them from picking it up and dropping it.
3. Once they have defrosted their block enough and are able to get all the poster pieces out, they need to build the poster.
4. The first team to build their poster and say the verse, are the winners.
