

Fill the Bottle!

Items needed:

- X1 water pistol per child
 - X1 Big bucket to refill water pistols
 - X1 Goggles per leader (eye protection)
 - X1 2L soda bottle per leader
- Each soda bottle has elastic attached to it, so that it can be worn as a hat. Each bottle also has a hole cut near the top of the bottle.

Game instructions:

1. Divide the children into smaller groups. Each group is allocated to a specific leader.
2. Have the children stand at a distance.
3. The children use their water pistols to aim for the hole at the top of the soda bottle on their leaders' head to fill the bottle.
4. The group who can fill their leader's bottle the most in the allocated time is the winner.
