

Mine Field!

Items needed:

- 1 blindfold per child (blindfolds could be shared)
- Cones, Chairs, Etc (To be used as mines)

Game instructions:

1. Divide the children into pairs.
2. One person from each pair is blindfolded.
3. The other person stands next to their partner at the starting line and will remain there.
4. All the blindfolded children must walk across the minefield making sure to **AVOID THE MINES by listening to their partner's instructions.**
5. The first mine you hit – you become seriously injured. The second mine you hit you are out.
6. If the first partner is out or they reach the other side, then they remove their blindfold and allow their partner to have a turn.
7. Continue playing until everyone has had a turn.
