

# Platforms!

## Lesson Idea:

The idea is for team members to work together and work out the best strategy to keep everyone on the platform for the longest time. We, as the church body, need to support one another as well as hold each other accountable.

*Philippians 2:4*

*Don't look out only for your own interests, but take an interest in others, too.*

*Galatians 6:2*

*Share each other's burdens, and in this way obey the law of Christ.*

## Items needed:

- A raised platform. You may choose a bigger or smaller platform depending on how many children you have.

## Game instructions:

Children try to fit as many teammates as possible onto a raised platform or square. Hint: If team members hold hands and lean back, they will fit a few more on the platform.
