

Water Leak!

Items needed:

- Blindfolds
- 2 Large plastic pipes that have been sealed on the on end.
- Ping Pong balls
- X4 Buckets
- Filling point (tap, hosepipe, etc.)

Game instructions:

1. Divide the children into 2 teams.
2. The teams need to nominate 2 people to be their runners. The runners do not need blindfolds. All the other team members must be blindfolded at **ALL** times.
3. The runners need to fill the buckets with water and pass the buckets to their blindfolded team members.
4. The blindfolded members need to hold the pipe upright and without peeking they need to work together to pour the water into the pipe.
5. The aim is to get the ping pong balls inside the pipe to flow out the top.
6. The first team to get their ping pong balls out of their pipe are the winners.
