

Quack Quack Craft!

(Quiz & Tell Others)

Lesson Idea:

Sometimes a Bible story can be full of facts that are good to remember. You can make a quiz out of a "Quack Quack" craft and children can have fun while learning.

You could use the miracles of Jesus to make up a quiz. How many fish and loaves were there? Whose son was ill? What did Jesus turn the water into at the wedding?

You could also use the "Quack Quack" craft when challenging children to go out and tell people about Jesus. The eight results could be: at the shops, in the playground, at soccer practice, at my aunt's birthday, at the doctor, at dad's work, in the taxi, waiting in the queue at the tuck-shop.

1. First make sure you are working with a square piece of paper. Cut it if necessary. Little ones may need your help following the folding instructions.
2. Fold on the diagonals so that you have four triangles.
3. Fold each corner towards the middle.
4. Now turn over the square.
5. Again, fold the corners to the middle of the square.
6. Now pull out the corners to make pockets for your fingertips to fit into.

How to use the “Quack Quack” craft:

1. Start by choosing one of the four outside options. These could be colours. So, if you choose “blue” you have to open and close your fingers while spelling out “B-L-U-E”.
2. You could also say a verse and open and close your fingers on every word.
3. Next you choose one of the inside options, these could be numbers. So, if it's “5” you open and close your fingers five times.
4. Lastly, choose another option on the inside and open it up to reveal your question. Did you get it right?
5. Everyone in the family can take turns asking and answering the questions too, who got them all right?
6. Or, open up to reveal where you can tell others about Jesus tomorrow!
