

# Sliding Face Changer! (Blank Template)

## Lesson Idea:

You can use the Sliding Face Changer for lots of different lessons. You could use it to demonstrate how people in the Bible could have felt, or how people were changed by Jesus.

Another option is for children to make their own and change the expressions to explain how different things make them feel. E.g. How do you feel knowing that you have sinned, or how do these verses make you feel?

- *John 3:16 For God so loved the world that He gave His only Son*
- *Romans 5:8 For while we were still sinners, God sent His Son to die for us*
- *1 John 3:1 See what great love the Father has lavished on us, that we should be called children of God! And that is what we are! The reason the world does not know us is that it did not know him.*

Use the blank template provided to suit your lesson.
