

Sliding Face Changer!

Miracle of man born blind

Lesson Idea:

While Jesus was here on earth, He did many miracles. They included miracles of provision, healing and even resurrection from death! All the miracles that Jesus did and continues to do today, are all so that we would believe in and follow Him.

- *John 20:23 **But** these are written so that you may continue to believe that Jesus is the Messiah, the Son of God, and that by believing in him you will have life by the power of his name.*

When Jesus healed the man born blind, the responses from those around him were varied. Some doubted it was the same man, some believed in Jesus, and some were angered that Jesus had performed a miracle on the Sabbath. After hearing about the miracles, what will our response be?
