

# Spinning Wheel!

## (Blank Template)

### Lesson Idea:

A spinning wheel is a great craft to help children re-cap what they have learnt over the term. It can also be used to teach a Bible verse or different truth about Jesus. Get creative and have fun adding in your own pictures and words to the blank template. Why not even let your children make their own version of things they love about Jesus or are grateful for?

### Items needed per child:

- Template of front and back of spinning wheel
- Split pin

### Craft making instructions:

Link to video demonstration: <https://youtu.be/3CjctghepzQ>

1. Print the two circles, the front and under layer, the same size.
2. Cut a gap in the front cover. Be careful to not cut all the way to the middle, as you will need somewhere to poke the split pin through.
3. Pierce the split pin through both layers. Moving one of the layers will reveal each new picture or word.
