

Spinning Wheel!

(Jesus has power over everything)

Lesson Idea:

John 20:31

But these miracles are written so that you may continue to believe that Jesus is the Messiah, the Son of God, and that by believing in Him you will have life by the power of His name.

The Bible is filled with miracles that Jesus did, all with one goal in mind... **that we would come to believe He is God's son so that we can have eternal life.**

Each one of them reveal a little more about His power and authority. As you teach the children some of the miracles that Jesus has done, and is still doing, you can either:

- Add another picture to the spinning wheel.
- Let them turn to the picture that this miracle reveals about Jesus.

To find out more about these miracles look out for our curriculum called "God of the impossible."

Items needed per child:

- Template of front and back of spinning wheel
- Split pin

Craft making instructions:

1. Print the two circles, the front and under layer, exactly the same size.
2. Cut a gap in the front cover. Be careful to not cut all the way to the middle, as you will need somewhere to poke the split pin through.
3. Pierce the split pin through both layers. Moving one of the layers will reveal each new picture or word.
