

# Jesus is the Greatest!

## (Story boxes)

### Lesson Learnt:

The Gospels, Matthew, Mark, Luke and John, are filled with stories about the life of Jesus. This lesson takes the main things they teach us about who Jesus is, namely that

- Jesus is the Creator
- Jesus is the Promised One
- Jesus is God's son
- Jesus is our Teacher
- Jesus is I am
- Jesus is King
- Jesus became our servant
- Jesus is our Saviour
- Jesus is life

Knowing who Jesus is helps us believe in Him and at the same time builds our relationship with Him. The more we know, the stronger our faith becomes and the easier it is to teach others about Him so they can love and follow Him too.

### Props needed:

- Box 1: Pictures to show Jesus is the Creator, Teacher and Servant

- Box 3: Pictures to show Jesus is God's son, King and Life

### Dialogue:

|                |  |
|----------------|--|
|                | <i>Leader's all stand in a line with their boxes showing the first picture that they will be talking about. They then swivel their box to show the next picture as it becomes their turn to explain something else about Jesus.</i>  |
| Box 1 - Leader | We've been reading about the life of Jesus in the Gospel of the Bible and I am amazed by the amazing things they tell us about Him.<br>(Show picture of "Jesus is the Creator") Did you know that Jesus was there at Creation? In fact the Bible says that Jesus is our creator! |

|                |  |
|----------------|--|
| Box 2 - Leader | Do you know what I find incredible? There were over 300 prophecies about the one that would save us from our sin. These promises were made way before Jesus was even born. And do you know, Jesus kept every single one of them. Jesus is the Promised One!                                      |
| Box 3 - Leader | And do you know that Jesus is God's son! And yet He chose to be born as a baby, and live among us. That means He understands the joys, worries, trials and challenges of everyday life.  |
| Box 1 - Leader | The Bible tells us that even when Jesus was a young boy, He was found in the temple teaching others. He wasn't just teaching them anything, He was teaching them God's message to us. I love that Jesus is my teacher.   |
| Box 2 - Leader | Jesus is absolutely everything that we will ever need. He is the bread of life, He is the true vine, He is the good shepherd... He provides us with everything we need.  |
| Box 3 - Leader | You know what I love learning about in the Gospels? The miracles that Jesus did. We learn about when He calmed the storm, provided food, raised people from the dead... and all these miracles show us that Jesus has power and authority over everything. He truly is the King of Kings.        |
| Box 1 - Leader | Jesus is a king like none other. He chose to take off His crown and instead be our humble servant. The Bible even tells us about a time Jesus washed His disciple's stinky feet. Not that really shows us what a humble serving king He is.  |
| Box 2 - Leader | Jesus did something for us that nobody can do. We can't even do it for ourselves. He took <b>our sin</b> upon Himself and died in our place so that we could be forgiven and could have eternal life in Heaven with God one day. Even though Jesus never ever sinned – He chose to die for ours. |
| Box 3 - Leader | The best thing is that that is not the end of the life of Jesus. Three days later, Jesus came back to life. After spending some more time with His disciples on Earth, He went back to Heaven. That is where He is right now! <b>ALIVE</b> and at the right hand of the Father.                  |
| Box 1 - Leader | So I think we can all agree....  |
| All leaders    | <b>JESUS IS THE GREATEST!</b>  |
