GOD MADE LIGHT AND DARKNESS

God said, "Let there be light," and there was light. And God saw that the light was good. Then He separated the light from the darkness. God called the light "day" and the darkness "night."
Genesis 1:3-5

GOD MADE LIGHT AND DARKNESS

If we ran at the speed of light, we would run around the whole world seven and a half times in just one second.

GOD MADE THE SKY

God said, "Let there be a space between the waters, to separate the waters of the heavens from the waters of the earth." God called the space "sky."
Genesis 1:6, 8

You can't see gases, through even the strongest microscope, but we can see what they do:

When you see a balloon float, praise God for making helium.
When you see bubbles in your fizzy drink, praise God for making carbon dioxide.

GOD MADE THE SEA, LAND AND PLANTS

Then God said, "Let the waters beneath the sky flow together into one place, so dry ground may appear." And that is what happened. God called the dry ground "land" and the waters "seas." And God saw that it was good. Then God said, "Let the land sprout with vegetation—every sort of seed-bearing plant, and trees that grow seed-bearing fruit."
Genesis 1:9-11

GOD MADE THE SEA, LAND AND PLANTS

The smallest flowering plant is called the Wolffia globosa. The whole plant can fit on top of a pin, yet it is filled with protein, vitamins and minerals that keep fish, birds and water creatures healthy and strong.

GOD MADE THE SUN, MOON AND STARS

Then God said, "Let lights appear in the sky to separate the day from the night. Let them be signs to mark the seasons, days, and years. Let these lights in the sky shine down on the earth." And that is what happened. God made two great lights—the larger one to govern the day, and the smaller one to govern the night. He also made the stars.
Genesis 1:14-16

GOD MADE THE SUN, MOON AND STARS

The world is filled with so many huge things. Huge deserts, mountains and huge oceans. But a million earths can fit in the sun. And the sun is tiny compared to other stars and planets that God created! And God made all of this just by speaking.

GOD MADE ANIMALS AND PEOPLE

Then God said, "Let the earth produce every sort of animal, each producing offspring of the same kind—livestock, small animals that scurry along the ground, and wild animals." And that is what happened. Genesis 1:24

So God created human beings in His own image. In the image of God, He created them; male and female He created them. Genesis 1:27

GOD MADE ANIMALS

You use 72 different muscles every time you talk.

You have 206 bones in your body and 52 of them are in your feet.

All the blood in your body passes through your heart every minute.

Your nose makes about a cup of nasal mucus every day.

AND PEOPLE

In your life you make enough spit to fill 500 bathtubs.

You lose dead skin all the time and so in your lifetime will have about 1000 different skins.

You have 2,5 million sweat pores

GOD MADE SEA LIFE AND FLYING ANIMALS

Then God said, "Let the waters swarm with fish and other life. Let the skies be filled with birds of every kind." Genesis 1:20

GOD MADE SEA LIFE AND FLYING ANIMALS

Pigeons can recognize your face and even themselves in a photograph! And God made them just by speaking

Birds can sleep while flying, the hummingbird can fly backwards, turkey vultures vomit as self-defence, fish don't blink and some sea creatures live as deep as ten kilometres under the water.

WOW! WHAT A GREAT GOD!

God's people needed to be set

free and
God gave
them what
they
needed

They needed to know where
to go and God
guided them

We need to
be freed
from our
sin and God
gave us
Jesus

We need a
guide and God
gave us the
Holy Spirit

They needed food and
water so God
gave them
manna,
quail and
water

They needed to know
how to live so God gave
them laws to
follow

We need things like food to
live and God provides

We need help
to know how to
live lives that
please God and
so He gave us
the Bible

The people
needed healing
and God made
a way for
them to be
healed

We are healed from
our sin because
of what Jesus
did on the
cross

They needed
clothes and
shoes and so
God made the
ones they
had last for
40 years

We need things
like clothes
and because
God loves us we
will always have
something to
wear

God's guidance and provision
led His people all the way to
the Promised
Land

God
provided a
way for us
to be with
Him
forever.

God gave us Jesus

God gives us everything we need
