1. First make sure you are working with a square piece of paper. Cut it if necessary. Little ones may need your help following the folding instructions.
2. Fold on the diagonals so that you have four triangles.
3. Fold each corner towards the middle.
4. Now turn over the square.
5. Again, fold the corners to the middle of the square.
6. Now pull out the corners to make pockets for your fingertips to fit into.

How to use the "Quack Quack" craft:

1. Open and close your fingers as you say, "Come to Jesus for rest".
2. Next choose a number from one of the inside layers that you stop on. Open and close your fingers again counting up to that number.
3. Lastly, choose another number and open it to reveal the verse.
