

Nest Building!

Verse Idea:

Proverbs 3:6

Remember the lord in everything you do, and he will show you the right way.

Items needed:

- ball of wool

Instructions:

1. Children sit in a small circle
2. One child holds the ball of wool and says the first word of the verse
3. That child will then grip the end of the wool tightly and toss the rest of the ball to another child
4. This process will continue until the entire verse has been read.

A criss-cross of the wool would have formed, similar to that of a nest.
