Instructions:

1. Divide into 2 teams (if a big group of children, you can have however many teams you need.)
2. Have the children take their shoes off and pile them across from their line where a leader is standing.
3. When a leader says go the first child in each line will run up to the leader and will then have to say the verse.
4. If they say the verse correctly, they will then grab one shoe from the pile and run back to their group and the child whose shoe it is will put it on.
5. If they say they say the verse wrong or can not remember it, they will run back without a shoe.
6. The first team to have all their shoes on wins.
