Place the sachet named “Mr Ketchup” in the bottle and close it. He will be floating at the top of the bottle.

- 1) Begin by introducing Mr Ketchup and asking him to go down. You will gently squeeze the sides of the bottle and he will sink to the bottom.
- 2) then ask him to go up, slowly release the sides of the bottle and he will float up again.
- 3) Conclude by asking the children to ask Mr ketchup to move and he won't. Emphasise how in the same way we must only listen to God's instructions and not anyone else's.
