

Loved while still Sinners

Lesson learnt:

This object lesson can help teach children that because Jesus has died on the cross for us and rose again, our sins can be forgiven.

Items needed:

- A permanent marker
- A laminated heart
- cream cleaner

- 1) Start by holding the permanent marker and explain that nothing comes out with a permanent marker and that in the same way we can feel that we are stained with our sin. Draw on the laminated heart with the marker- you can scribble on it and make it look messy or write words that represent sin, for example, lying.
- 2) Use some cream cleaner to wipe it all off- this represents the forgiveness, love and grace of Jesus.
