

God is here and
God is there,
God is always with
us, everywhere

God is here and
God is there,
God is always with
us, everywhere

God sees us play,
He hears us sing,
He knows
everything
about everything!

God sees us play,
He hears us sing,
He knows
everything
about everything!

How great is our
God so powerful
and strong
I love Him so much
all day long

How great is our
God so powerful
and strong
I love Him so much
all day long

God is here and
God is there,
God is always with
us, everywhere

God is here and
God is there,
God is always with
us, everywhere

God sees us play,
He hears us sing,
He knows
everything
about everything!

God sees us play,
He hears us sing,
He knows
everything
about everything!

How great is our
God so powerful
and strong
I love Him so much
all day long

How great is our
God so powerful
and strong
I love Him so much
all day long
