

How do we get to Heaven?

Lesson Idea:

How do we get to Heaven, this can seem like a big question. This lesson helps teach children that it's not about our works but its because of the price Jesus paid for us when He died on the cross for our sins and came alive again.

Items needed:

- A piece of plain paper

Instructions:

1. Use this paper to form an aeroplane as seen in the video and then cut the paper as seen in the video and it will form the words "Life" and "Hell" when arranging the pieces,as well as a cross. Use this to tell Kids that because of the cross we have eternal life in Heaven one day.
2. Use this video to see how to cut:
