

Draw together

Lesson Idea: Romans 12:4 says “Just as our bodies have many parts and each part has a special function, so it is with Christ's body. We are many parts of one body, and we all belong to each other.” We used this game to teach the children how God wants us to be a unified church that works together to help others know and love Him.

Items needed:

- 1 x Plastic covered board with track
- 2 x White board markers with strings (1 spare)
- Felt cloth

Game instructions:

1. Each child would take a string and they all had to pull the strings together and strategically to draw a line from the beginning of the track to the end.
2. This showed them how important it is for us to each play our part in the function God has given us.
